

Hardship Request to Receive Fin Aid

Date of Request: _____ Semester of Request: _____

I (Name) _____, (Student ID#) _____

Request payment of my chapter 33, Post 9/11, GI Bill® tuition and fees in order to receive my DSU financial aid benefits on the first week of school due to the financial hardship annotated on the Semester Certification Request.

- I must make this request at least 45 days prior to the Fall Semester start date--no earlier than 120 days.
- I understand that if I change my schedule after this request, and if such action establishes a reduced amount of tuition and fees, that I will be responsible for any incurred debt to my Dixie State University account.
- I understand that if I make a change to my schedule that increases the amount of tuition and fees owed to Dixie State University, that the Veteran and Military Services personnel will not process amendments for tuition and fee requests to the VA until after the date of the school's last day to drop without receiving a "W".
- I understand that the financial aid will only pay out as a student refund after all charges to your account are at \$0.00.
- I understand that tuition waivers (scholarships) will be deducted from the VA tuition authorization.

I certify that I have remaining Chapter 33 Post 9/11 benefits to cover the tuition and fees as annotated below:
